

# RELI 3.0 Proposed Wildfire Amendment

HA Req. 4.0 (Proposed new language in red)

Demonstrate compliance with ICC's 2018 International Wildland-Urban Interface Code (IWUIC) or 2013 NFPA 1144, or for California, more stringent building code requirements for all fire hazard severity zones pursuant to California building codes Chapter 7A of the California Building Code (CBC) and Chapter R337 of the California Residential Code (CRC). Provide a signed Executive Summary from a report from a Licensed Design Professional that describes how the project met or will meet ICC's 2018 IWUIC and/or 2013 NFPA 1144, or CBC 7A or CRC R337.
